

<i>Title:</i> Policy for Vehicle Carry On limit	<i>Resolution:</i> 09-24
<i>Author:</i> Dave Turissini	<i>Effective Date:</i> 09/16/09

PURPOSE:

It is the intent of this policy to implement a consistent policy and procedure pertaining to luggage; grocery and general package carry on limits for all Jefferson Transit vehicles. This policy pertains to all items outside of those listed in Resolution 08-11, Bicycles on Buses Policy and Resolution 93-5, Weapons Policy.

SCOPE:

This policy applies to all passengers and transit operators.

PROCEDURES:

1. Safety is priority. Any carry on item that in the estimation of the driver may be unsafe, will not be allowed on the vehicle.
2. Items should be small enough to they fit in the vehicle seat area or luggage rack if the vehicle is so equipped.
3. Children in strollers must be removed from the stroller prior to entry onto the coach and the stroller collapsed.
4. Items are not allowed to block bus aisles, doors or evacuation exits.
5. All grocery bags should weigh no more than 25 pounds and are limited to four (4) bags per trip.
6. All carry on items should be under the control of the passenger and not allowed to tip, spill, inconvenience other passengers or roll down the aisle while the vehicle is in motion.
7. If a transit vehicle is at capacity and there is no room to accommodate carry on items, even one which complies with the other terms of this policy, they must wait for the next vehicle.
