

INVITATION TO BID

Project Name: Jefferson Transit Authority will be accepting bids for a project: JTA Radio Connectivity Project

Project Description: The Jefferson Transit Authority's (JTA) new Maintenance, Operations, Administration Center located at 63 Four Corners Road, Port Townsend, WA 98368, (currently under construction) requires the connection to a newly installed radio antenna tower to the administration building and establish radio connectivity to radio sets located in various offices providing full duplex 2-Way capability. This is a FTA funded scope of work and will be subject to certain procurement, labor and 'Buy America' requirements.

JTA Representative for Project: Questions about the project or the bid may be directed to Mike Samodurov via email (barnold@jeffersontransit.com) or by mailing a written request to:

**Ben Arnold
Jefferson Transit Authority
