

# Transit User Survey

We want to hear from you!

To help ensure that your community's transit needs are met, the Washington State Department of Transportation on behalf of the Peninsula Regional Transportation Planning Organization is working with local transit agencies to identify and address unmet transportation needs. This survey focuses on transit needs of elderly, young people, disabled, low-income, and other customers who depend on public transportation in Clallam, Jefferson, Kitsap and Mason counties.

This survey allows us to better serve your community by helping identify needs and recommending transit improvements that will benefit transit customers. We aim to hear from a wide range of people, and have included some demographic questions to help us understand who is responding to this survey. Your answers to all questions are confidential and voluntary, and are combined with those of other respondents for analysis purposes only.

This survey will take 5-10 minutes to complete and will remain open until 11:59 p.m. Tuesday, August 21, 2018. Thank you for your input!

This survey is also available online, visit <https://www.surveymonkey.com/r/transituser>

1. Please provide the city/town where you live, or the nearest city/town if you live outside its boundaries and county:
  
2. Which of the following applies to you? (select closet option):
  - I live, work/study within the county
  - I live in the county, but work/study elsewhere
  - I work/study in the county, but live elsewhere
