# Certifications & Assurances

## Fiscal Year 2020

For Federal fiscal year 2020, FTA made the following changes to the annual Certifications and Assurances. This document is guidance to the public. It does not have the force and effect of law, and is not meant to bind the public in any way. It is intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

### **New cybersecurity certification for rail transit operators**

The National Defense Authorization Act for fiscal Year 2020, Pub. L. 116-92, § 7613 (Dec. 20, 2019), added a new subsection (v) to 49 U.S.C. § 5323. Section 5323(v) requires each operator of a rail fixed guideway system, as a condition of receiving financial assistance, to certify that it has “established a process to develop, maintain, and execute a written plan for identifying and reducing cybersecurity risks” that includes consideration for third-party testing and use of approaches, standards, and best practices developed by the National Institute of Standards and Technology (NIST) and the U.S. Department of Homeland Security (DHS).

For information regarding NIST and DHS standards and practices, visit <https://www.nist.gov/cyberframework> and <https://www.cisa.gov/>.

### **New public transportation agency safety plan certification**

FTA’s public transportation agency safety plans (PTASP) rule, 49 C.F.R. Part 673, provides rail operators and States that are required to draft and certify a public transportation agency safety plan on behalf of a small public transportation provider until July 20, 2020, to certify that they have established safety plans that comply with the rule. The rule also requires affected transit providers and States to certify annually that they are in compliance with the rule, beginning in 2021. In 2020, an affected applicant may make the PTASP certification at any time after, but not before, it has completed its requirements under the PTASP rule. After July 20, 2020, FTA will not process an application from an entity that is required to make the PTASP certification and has not done so.

If an applicant is making its fiscal year 2020 certifications prior to completing PTASP requirements, it may make all other applicable certifications except the PTASP certification, and may add the PTASP certification after completing its PTASP requirements. FTA’s regional offices and headquarters Office of Transit Safety and Oversight will provide support for incorporating this certification in 2020.

## New certification regarding restricted telecommunications and video surveillance equipment and services

The John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. 115-232, § 889 (Aug. 13, 2018), prohibits FTA from obligating or expending grant funds to acquire “covered telecommunications equipment or services” after August 13, 2020. The covered equipment and services are those provided by certain companies based in the People’s Republic of China. For fiscal year 2020, FTA is requiring applicants to certify that they will not use Federal funds to acquire the restricted equipment or services after the effective date.

### Additional changes

- Added a reminder at the top of the Certifications that FTA will not enforce a certification if it does not apply to a particular grant recipient or project. In fiscal year 2019, some grant recipients expressed concern that they would be held to standards they are not subject to.
- Revised the instructions accompanying Certification 3, Tax Liability and Felony Convictions. In fiscal year 2019, FTA’s instructions for this certification were unclear, leading some applicants to question whether they had to make the certification.
- Revised the language of the Certification 5, Transit Asset Management Plan, to reflect that the deadline to create a transit asset management plan has passed, and all applicants now must be in compliance with 49 C.F.R. Part 625.
- Updated references and citations as appropriate.

*Not every provision of every certification will apply to every applicant or award. If a provision of a certification does not apply to the applicant or its award, FTA will not enforce that provision. Refer to FTA's accompanying Instructions document for more information.*

*Text in italics is guidance to the public. It does not have the force and effect of law, and is not meant to bind the public in any way. It is intended only to provide clarity to the public regarding existing requirements under the law or agency policies.*

This certification has been modified in places to include analogous certifications required by U.S. DOT statutes or regulations.*

As the duly authorized representative of the applicant, you certify that the applicant:

Parts 180 and 1200, prior to entering into a covered transaction with an applicant, FTA must determine whether the applicant is excluded from participating in covered non-procurement transactions. For this purpose, FTA is authorized to collect a certification from each applicant regarding the applicant’s exclusion status. 2 C.F.R. § 180.300. Additionally, each applicant must disclose any information required by 2 C.F.R. § 180.335 about the applicant and the applicant’s principals prior to entering into an award agreement with FTA. This certification serves both purposes.*

The applicant certifies, to the best of its knowledge and belief, that the applicant and each of its principals:

- (c) Is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any offense described in paragraph (b) of this certification;
- (d) Has not, within the preceding three years, had one or more public transactions (Federal, State, or local) terminated for cause or default.

L. 115-232 (Aug. 13, 2018), beginning on and after August 13, 2020, it will not use assistance awarded by FTA to procure or obtain, extend or renew a contract to procure or obtain, or enter into a contract (or extend or renew a contract) to procure or obtain “covered telecommunications equipment or services” (as that term is defined in Section 889 of the Act) if such equipment or services will be used as a substantial or essential component of any system or as critical technology as part of any system.

**CATEGORY 2. PUBLIC TRANSPORTATION AGENCY SAFETY PLANS**

*Beginning on July 20, 2020, this certification is required of each applicant under the Urbanized Area Formula Grants Program (49 U.S.C. § 5307), each rail operator that is subject to FTA’s state safety oversight programs, and each State that is required to draft and certify a public transportation agency safety plan on behalf of a small public transportation provider pursuant to 49 C.F.R. § 673.11(d). This certification is required by 49 C.F.R. § 673.13.*

*An applicant may make this certification only after fulfilling its safety planning requirements under 49 C.F.R. Part 673. If an applicant is making its fiscal year 2020 certifications prior to completing its requirements under 49 C.F.R. Part 673, it will make all other applicable certifications except this certification; the applicant may add this certification after it has fulfilled its requirements under 49 C.F.R. Part 673. FTA’s regional offices and headquarters Office of Transit Safety and Oversight will provide support for incorporating this certification in 2020.*

*On and after July 20, 2020, FTA will not process an application from an applicant required to make this certification unless the applicant has made this certification.*

If the applicant is an operator, the applicant certifies that it has established a public transportation agency safety plan meeting the requirements of 49 C.F.R. Part 673.

If the applicant is a State, the applicant certifies that:

### **CATEGORY 3. TAX LIABILITY AND FELONY CONVICTIONS.**

*If the applicant is a business association (regardless of for-profit, not for-profit, or tax exempt status), it must make this certification. Federal appropriations acts since at least 2014 have prohibited FTA from using funds to enter into an agreement with any corporation that has unpaid Federal tax liabilities or recent felony convictions without first considering the corporation for debarment. E.g., Consolidated Appropriations Act, 2020, Pub. L. 116-93, div. C, title VII, §§ 744–745. U.S. DOT Order 4200.6 defines a “corporation” as “any private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association”, and applies the restriction to all tiers of subawards. As prescribed by U.S. DOT Order 4200.6, FTA requires each business association applicant to certify as to its tax and felony status.*

If the applicant is a private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association, the applicant certifies that:

- (a) It has no unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
- (b) It has not been convicted of a felony criminal violation under any Federal law within the preceding 24 months.

### **CATEGORY 4. LOBBYING.**

*If the applicant will apply for a grant or cooperative agreement exceeding \$100,000, or a loan, line of credit, loan guarantee, or loan insurance exceeding \$150,000, it must make the following*

*certification and, if applicable, make a disclosure regarding the applicant's lobbying activities. This certification is required by 49 C.F.R. § 20.110 and app. A to that part.*

*This certification does not apply to an applicant that is an Indian Tribe, Indian organization, or an Indian tribal organization exempt from the requirements of 49 C.F.R. Part 20.*

#### **4.1. Certification for Contracts, Grants, Loans, and Cooperative Agreements.**

The undersigned certifies, to the best of his or her knowledge and belief, that:

- (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### **4.2. Statement for Loan Guarantees and Loan Insurance.**

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and

submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

### **CATEGORY 5. PRIVATE SECTOR PROTECTIONS.**

*If the applicant will apply for funds that it will use to acquire or operate public transportation facilities or equipment, the applicant must make the following certification regarding protections for the private sector.*

#### **5.1. Charter Service Agreement.**

*To enforce the provisions of 49 U.S.C. § 5323(d), FTA's charter service regulation requires each applicant seeking assistance from FTA for the purpose of acquiring or operating any public transportation equipment or facilities to make the following Charter Service Agreement. 49 C.F.R. § 604.4.*

The applicant agrees that it, and each of its subrecipients, and third party contractors at any level who use FTA-funded vehicles, may provide charter service using equipment or facilities acquired with Federal assistance authorized under the Federal Transit Laws only in compliance with the regulations set out in 49 C.F.R. Part 604, the terms and conditions of which are incorporated herein by reference.

#### **5.2. School Bus Agreement.**

*To enforce the provisions of 49 U.S.C. § 5323(f), FTA's school bus regulation requires each applicant seeking assistance from FTA for the purpose of acquiring or operating any public transportation equipment or facilities to make the following agreement regarding the provision of school bus services. 49 C.F.R. § 605.15.*

- (a) If the applicant is not authorized by the FTA Administrator under 49 C.F.R. § 605.11 to engage in school bus operations, the applicant agrees and certifies as follows:
- (1) The applicant and any operator of project equipment agrees that it will not engage in school bus operations in competition with private school bus operators.
  - (2) The applicant agrees that it will not engage in any practice which constitutes a means of avoiding the requirements of this agreement, part 605 of the Federal Mass Transit Regulations, or section 164(b) of the Federal-Aid Highway Act of 1973 (49 U.S.C. 1602a(b)).

- (b) If the applicant is authorized or obtains authorization from the FTA Administrator to engage in school bus operations under 49 C.F.R. § 605.11, the applicant agrees as follows:

## **Section 6**

### **Contractor's Share of Project Costs**

A. The total Project cost shall not exceed the amounts detailed in the "Funding by Project" table. The CONTRACTOR agrees to expend eligible funds, together with any "Contractor Funds" allocated for the Project, in an amount sufficient to complete the Project. The CONTRACTOR further agrees that there shall be no reduction in the amount specified as the "Contractor Funds" unless there is a concurrent proportional reduction in the "State Funds", and/or if the AGREEMENT includes federal funds, in the "Federal Funds", or WSDOT pre-approves the reduction in writing. If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will exceed or be less than the amount identified as "Total Project Cost" the CONTRACTOR shall notify WSDOT in writing within thirty (30) business days of making that determination. Nothing in Section 6(A), shall preclude the requirements specified in Section 7 (B) for payments at the end of the biennium.

B. Minimum Match: The CONTRACTOR is required to provide a minimum match of funds for the Project(s) as identified in the "Funding by Project" table reflected in the Contractor Funds. Any reduction in match will result in a proportional reduction in grant funds.

### **Section 7 Reimbursement and Payment**

A. Payment will be made by WSDOT on a reimbursable basis for actual costs and expenditures incurred, while performing eligible direct and related indirect Project work during the life of the Project. Payment is subject to the submission to and approval by WSDOT of properly prepared invoices that substantiate the costs and expenses submitted by CONTRACTOR for reimbursement. Failure to send in progress reports and financial information as required in Section 9 –Reports may delay payment. The CONTRACTOR shall submit an invoice detailing and supporting the costs incurred. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the expenses to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. Any payment request received after the timeframe prescribed above will not be eligible for reimbursement.

### **Section 8 Assignments and Subcontracts**

A. The CONTRACTOR agrees to include Section 5, Sections 8 through 18, Section 21 and Section 24 of this AGREEMENT in each subcontract and in all contracts it enters into for the employment of any individuals, procurement of any incidental goods or supplies, or the performance of any work to be accomplished under this AGREEMENT. It is further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in any advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

Statement of Financial Assistance:

"This AGREEMENT is subject to the appropriations of the State of Washington."

If any provision or compliance with any provision of this AGREEMENT violate state or local law, or would require the CONTRACTOR to violate state or local law, the CONTRACTOR agrees to notify WSDOT immediately in writing.

Should this occur, WSDOT and the CONTRACTOR agree to make appropriate arrangements to proceed with or, if necessary, expeditiously, terminate the Project.

**Section 14**

B. **Documentation of Project Costs and Program Income.** The CONTRACTOR agrees to support all allowable costs charged to the Project(s), including any approved services contributed by the CONTRACTOR or others, with properly executed payrolls, time records, invoices, contracts, or vouchers describing in detail the nature and propriety of the charges. The CONTRACTOR also agrees to maintain accurate records of all program income derived from implementing the Project(s).

**Section 16**

Project closeout does not alter these recording and record-keeping requirements. Should an audit, enforcement, or litigation process be commenced, but not completed, during the aforementioned six-year period then the CONTRACTOR's obligations hereunder shall be extended until the conclusion of that pending audit, enforcement, or litigation process.

B. **General Audit Requirements.** The CONTRACTOR agrees to obtain any other audits required by WSDOT at CONTRACTOR's expense. Project closeout will not alter the CONTRACTOR's audit responsibilities.

C. **Inspection.** The CONTRACTOR agrees to permit WSDOT and the State Auditor, or their authorized representatives, to inspect all Project work materials, payrolls, and other data, and to audit the books, records, and accounts of the CONTRACTOR and its subcontractors pertaining to the Project. hours worked in excess of forty (40) hours in such workweek. CONTRACTOR will comply with Title 49 RCW, Labor Regulations.

### **Section 18**

#### **Changed Conditions Affecting Performance**

The CONTRACTOR hereby agrees to immediately notify WSDOT of any change in conditions or law, or of any other event, which may affect its ability to perform the Project(s) in accordance with the provisions of this AGREEMENT.

### **Section 19**

It is the policy of WSDOT to actively support coordination of special needs transportation in the state. As a condition of assistance, the CONTRACTOR is required to participate in local coordinated planning as led by CONTRACTOR's relevant Metropolitan Planning Organization (MPO) and/or Regional Transportation Planning Organization (RTPO). Persons with special transportation needs means those persons, including their personal attendants, who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation.

*Transit Projects and Regional Mobility Grant funded projects are explicitly excluded from the provisions of Section 19 – Coordination of Special Needs Transportation.*

### **Section 20**

#### **Disputes**

A. **Disputes.** Disputes, arising in the performance of this AGREEMENT, which are not resolved by agreement of the PARTIES, shall be decided in writing by the WSDOT Public Transportation Division Assistant Director or designee. This decision shall be final and conclusive unless within ten (10) days from the date of CONTRACTOR's receipt of WSDOT's written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director's designee. The CONTRACTOR's appeal shall be decided in writing by the Director of the Public Transportation Division within thirty (30) days of receipt of the appeal by the Director of the Public Transportation Division or the Director's designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

B. **Performance During Dispute.** Unless otherwise directed by WSDOT, CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

C. **Claims for Damages.** Should either PARTY to this AGREEMENT suffer injury or damage to person, property, or right because of any act or omission of the other PARTY or any of that PARTY's employees, agents or others for whose acts it is legally liable, a claim for damages therefore shall be made in writing to such other PARTY within thirty (30) days after the first observance of such injury or damage.

D. **Rights and Remedies.** All remedies provided in this AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively and shall not be construed to be a limitation of any duties, obligations, rights and remedies of the PARTIES hereto. No action or failure to act by the WSDOT or CONTRACTOR shall constitute a waiver of any right or duty afforded any of them under this AGREEMENT, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

## **Section 21 Termination**

A. **Termination for Convenience.** WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the other PARTY. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination the portion to be terminated. However if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made, WSDOT may terminate the award in its entirety. The PARTIES may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project(s) would not produce beneficial results commensurate with the further expenditure of funds;
3. The CONTRACTOR is prevented from proceeding with the Project(s) as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project(s) by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR; or
5. The State Government determines that the purposes of the statute authorizing the Project(s) would not be adequately served by the continuation of financial assistance for the Project(s);
6. In the case of termination for convenience under subsections A.1-5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT that the CONTRACTOR properly incurred prior to termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

B. **Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;
2. Jeopardizes its ability to perform pursuant to this AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates;
3. Fails to make reasonable progress on the Project(s) or other violation of this AGREEMENT that endangers substantial performance of the Project(s); or
4. Fails to perform in the manner called for in this AGREEMENT or fails, to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.

C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to

WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.

E. If this AGREEMENT is terminated, whether for convenience or for default, before the specified end date set forth in the caption header, "Term of Agreement", WSDOT and the CONTRACTOR shall execute an amendment to this AGREEMENT identifying the termination date and the reason for termination.

## **Section 22**

### **Forbearance by WSDOT Not a Waiver**

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

## **Section 23**

### **Lack of Waiver**

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach, or default. Such payment shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default.

## **Section 24**

### **Limitation of Liability**

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to the execution of this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers arising out of, in connection with or incident to the negligent acts or omissions of the CONTRACTOR, its agents, employees, officers and subcontractors. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the sole negligent acts or omissions of the WSDOT, its agents, employees or officers; and provided further that if such claims result from the concurrent negligence of (a) the CONTRACTOR its employees, agents, officers or contractors and (b) the STATE, its employees or authorized agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the PARTY, its employees, officers, authorized agents, and/or contractors. The indemnification and hold harmless provision shall survive termination of this AGREEMENT. B. The CONTRACTOR shall be deemed an independent contractor for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of this AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

**Section 25**  
**Agreement Modifications**

Either PARTY may request changes to this AGREEMENT. Any changes to the terms of this AGREEMENT must be mutually agreed upon and incorporated by written amendment to this AGREEMENT. Such written amendment to this AGREEMENT shall not be binding or valid unless signed by the persons authorized to bind from each of the PARTIES. Provided, however, that changes to the federal award identification number, DUNS, project title, federal ID number, CFDA number, milestones, PIN the contact person of either PARTY, or dollar amount changes that do not affect the project total cost, will not require a written amendment, but will be approved and documented by WSDOT through an administrative revision. WSDOT shall notify the CONTRACTOR of the revision in writing.

**Section 26**  
**WSDOT Advice**

The CONTRACTOR bears complete responsibility for the administration and success of the Project(s) as defined by this AGREEMENT and any amendments thereto. If the CONTRACTOR solicits advice from WSDOT on problems that may arise, the offering of WSDOT advice shall not shift the responsibility of the CONTRACTOR for the correct administration and success of the Project(s), and WSDOT shall not be held liable for offering advice to the CONTRACTOR.

**Section 27**  
**Venue and Process**

In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County. The PARTIES agree that the laws of the State of Washington shall apply.

**Section 28**  
**Subrogation**

A. **Prior to Subrogation.** WSDOT may require the CONTRACTOR to take such action as may be necessary or appropriate to preserve the CONTRACTOR's right to recover damages from any person or organization alleged to be legally responsible for injury to any equipment, property, or transportation program in which WSDOT has a financial interest.

B. **Subrogation.** WSDOT may require the CONTRACTOR to assign to WSDOT all right of recovery against any person or organization for loss, to the extent of WSDOT's loss. Upon assignment, the CONTRACTOR shall execute, deliver, and do whatever else necessary to secure WSDOT's rights. The CONTRACTOR shall do nothing after any loss to prejudice the rights of WSDOT.

C. **Duties of the CONTRACTOR.** If WSDOT has exercised its right of subrogation, the CONTRACTOR shall cooperate with WSDOT and, upon WSDOT's request, assist in the prosecution of suits and enforce any right against any person or organization who may be liable to WSDOT. The CONTRACTOR shall attend hearings and trials as requested by WSDOT, assist in securing and giving evidence as requested by WSDOT, and obtain the attendance of witnesses as requested by WSDOT.

**Section 29**  
**Counterparts**

This AGREEMENT may be simultaneously executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their

supporting materials contained and/or mentioned herein, and does hereby accept WSDOT's grant and agrees to all of the terms and conditions thereof.

**Section 30**  
**Complete Agreement**

This document contains all covenants, stipulations, and provisions agreed upon by WSDOT. No agent or representative of WSDOT has authority to make, and WSDOT shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein or made by written amendment hereto.

**Section 31**  
**Severability**

If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or any part thereof, which in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.

**Section 32**  
**Order of Precedence**

Any conflict or inconsistency in this AGREEMENT and its attachments will be resolved by giving documents precedence in the following order:

1. Federal law
2. Exhibit I, Federal Provisions, if applicable
3. State law
4. This AGREEMENT

**Section 33**

**Eligible and Ineligible Activities  
Coronavirus Aid, Relief, and Economic Security Act (CARES) Act of 2020 (49 USC 5311)  
Rural Area Formula Program**

**General information**

Under FTA's Emergency Relief Program, Rural Area formula funds may be used for expenses related to a declared emergency, including funds to prevent, prepare for, and respond to COVID-19.

Beginning January 20, 2020, all activities normally eligible under the Urbanized Area (49 USC 5307) and Rural Area (49 USC 5311) formula programs are eligible for CARES Act funding.

There are no matching requirements. All projects funded by CARES Act are 100 percent covered by federal share.

All federal transit program (49 USC Ch. 53) requirements apply to CARES Act funding.

Operating and capital expenses that do not involve a substantial change to the location, function, or capacity of an asset do not need to be in a TIP/STIP or long-range transportation plan.

The use of a noncompetitive (sole source) procurement is permitted when the circumstances of an emergency (or public exigency) would permit a delay resulting from competitive solicitation.

If training costs are explicitly stated in an award document and the recipient cannot renegotiate or obtain a refund of the costs, Section 5311 RTAP funds may be used to pay for them.

A transit agency may not restrict Americans with Disabilities Act complementary paratransit trips to essential medical trips.
