JEFFERSON TRANSIT AUTHORITY (JTA)

Position Description

POSITION TITLE: Fixed-Route (FR) Operations Manager

SUPERVISOR: General Manager

SCOPE OF RESPONSIBILITY

Under the direction of the General Manager, this position manages JTA's Fixed-Route Service. The incumbent in this position works in partnership as a team member with JTA's Mobility (MOB) Operations Manager. Both managers are required to be familiar with the duties of the other's position and able to lead and direct the programs in the other's absence. Both managers collaborate on performance management, corrective/disciplinary actions, recruitment and selection.

This manager ensures day-to-day transit services are on the street and functioning according to schedule in a safe and efficient manner. The FR Operations Manager shares responsibility for the development and overall administration of the annual Transit Services section goals, objectives and operational parameters with the MOB Operations Manager. The FR Operations Manager works in collaboration with the MOB Operations Manager providing feedback regarding development and planning of service that will form the basis of the Transit Services section's operating budget. Within that budget, both Operations Managers must establish the following: Staffing levels; systems design and implementation, regulatory compliance, personnel scheduling, data collection and records management, and all other functions related to providing quality, day-to-day transit services.

Duties include: strategic development, planning, coordination with a variety of external groups, and implementing community outreach activities necessary to provide information regarding JTA's services and programs to a variety of audiences.

ESSENTIAL FUNCTIONS

- Supervises and manages Jefferson Transit Olympic Connection operations, Transit Services drivers, Safety & Training Supervisor and Field Supervisors.
- Represents Jefferson Transit at community meetings and regional conferences.
- Monitors performance of the Transit Services department.
- Prepares all necessary reports relevant to the functions of Transit Services.
- Establishes and maintain relationships with supervisory personnel from neighboring transit agencies, as well as other relevant public agencies (WSDOT, Public Works, School Districts, etc.).
- Determines method, means and number of personnel by which operations and services are conducted in the most efficient method possible, while maintaining budgetary and regulatory restraints.
- Coordinates services so that the most efficient use of personnel and equipment is achieved.
- Interfaces with other Jefferson Transit Managers in a team environment.
- Performs on-call duties as required, monitoring system operations during off-duty hours, must reside within 30 minutes of Port Townsend bus depot in order to respond to events/emergencies as required.
- Assists in union negotiations and administer grievance procedures as required.
- Arranges, prepares and conduct presentations to senior facilities, schools and community organizations as outreach to the public to expand programs and raise awareness of service availability and accessibility.
- Acts as backup to MOB Operations Manager.
- Processes weekly timecards for his/her staff and acts as backup for processing timecards or General Leave requests for the MOB Operations Manager's staff.

Planning

- The FR Operations Manager in collaboration with the MOB Operations Manager and under the guidance of the General Manager, is responsible for the planning and development of Jefferson Transit service.
- Plans and implements changes in service under the guidelines of JTA 20 Year Long Range Plan and implements service in accordance with JTA's Service Change policy.
- Notifies and works in collaboration with other transit agencies on changes that could affect connections.
- Coordinate services and service availability between Jefferson Transit and other agencies, both public and private, to move passengers efficiently from point to point.
- Oversees printed transit schedule updates and updates to Google Transit.
- Maintains/tracks/analyses JTA daily ridership, prepares report and keeps JTA management team apprised of trends.

Other

- Respond to telephone and written inquiries as well as referrals from adjacent transit systems.
- Acts as backup to MOB Operations Manager
- Assist in union negotiations and administer grievance procedures as required.
- Other duties as assigned.

KNOWLEDGE, SKILLS AND ABILITIES

- High school diploma or GED required and five years progressively responsible supervisory and/or managerial experience. Experience in transit and/or operations with at least two-year supervisory experience in both fixed route and demand response preferred.
- Requires ability to use tact, discretion, and courtesy in interdepartmental, Board of Director, and public contacts
- Requires the ability to work under pressure situations, deadlines, and maintain confidentiality of working information
- Uses independent judgment and personal initiative
- Experience in planning and/or project management
- Demonstrated ability to lead others
- Ability to research laws, regulations (federal, state and local), and collective bargaining agreement to determine compliance requirements
- Excellent written and oral communications skills with the ability to prepare clear and concise reports
- Proficiency in Microsoft office, including Word, Excel, and Outlook
- An acceptable driving record and valid driver's license

SPECIAL REQUIREMENTS

- Must pass a pre-employment substance abuse test as a condition of employment. This position is not considered safety-sensitive, as defined by the Federal Transit Administration (FTA), thus it is not subject to random drug and alcohol testing. However, under the authority of Jefferson Transit's Substance Abuse Policy and Drug & Alcohol Testing Program, this position is subject to all other types of substance abuse tests as described in the policy.
- If selected for the position, documentation of United States citizenship or an alien lawfully authorized to work in the United States will be required to establish identity and work authorization in accordance with the employer's obligation under the Immigration Reform and Control Act of 1986.

The ideal candidate will have knowledge, skills and/or experience:

- Five years progressive experience in transit and/or operations with at least two-year supervisory experience in both fixed route and demand response
- AA Degree in Business Administration or Equivalent, or higher
- Commercial Driver's License (CDL) with Class B passenger endorsement
- Customer/public relations and personnel management.
- Principles of public relations, marketing, and advertising; public speaking techniques; and knowledge of JTA policies, procedures, and practices.
- Knowledge and experience in public transit, including the delivery of fixed-route and ADA paratransit services.
- Knowledge of service planning design, implementation and management of hours on a system wide basis.
- Understanding of transit/travel patterns and service delivery models.(example: frequency vs coverage area)
- Knowledge and experience of the Americans with Disabilities Act (ADA) and its specific applications to public transportation.
- Ability to analyze data, define problems, identify potential solutions, develop implementation strategies and evaluate the outcome.
- Experience in customer service and proven ability to deal courteously and tactfully with the public and to interact effectively with members of the public, elected officials, Federal, State, local agency representatives and community organizations.
- A high degree of computer literacy, including competency in Excel spreadsheets, databases, and Microsoft word processing software, geographic information system software.
- Knowledge of transit reservations scheduling software
- Experience in rural transit is preferred.
- Ability to work effectively and cooperatively with other employees, supervisors and the general public.
